1. Data Protection & Special Category Data Handling Policy

1. Purpose of This Policy

Kingdom Velo Cycling Club (“the Club”) is committed to protecting the personal data of all members, parents/guardians, volunteers, and participants. This policy sets out how we collect, use, store, and protect personal data in accordance with the [UK General Data Protection Regulation \(UK GDPR\)](#) and the [Data Protection Act 2018](#).

The policy applies to all committee members, coaches, volunteers, and anyone acting on behalf of the Club.

2. Roles and Responsibilities

Data Protection Lead – Steven Moore

- Oversees compliance with UK GDPR and this policy
- Maintains documentation, retention schedules, and DPIAs
- Acts as the primary contact for data protection queries

Safeguarding Officers – Simon Stromberg & Nicola Treger

- Ensure safe handling of children’s data
- Oversee confidentiality in safeguarding matters
- Support coaches in managing sensitive disclosures appropriately

Coaches & Volunteers

- Follow this policy and Club guidance
- Treat all personal data confidentially
- Report any concerns or breaches immediately

3. Lawful Bases for Processing Personal Data

Article 6 UK GDPR

- Contract – managing membership and participation
- Legitimate Interests – running safe, effective cycling activities
- Legal Obligation – safeguarding, incident reporting, accounting

Article 9 UK GDPR (Special Category Data)

Where health information is processed, the Club relies on:

- [Article 9\(2\)\(c\)](#) – vital interests of the participant
- [Article 9\(2\)\(h\)](#) – provision of health-related support in a sporting context
- [Article 9\(2\)\(g\)](#) – substantial public interest (safeguarding) where applicable

4. Special Category Data (Health Information)

4.1 What We Class as Special Category Data

The Club recognises that information relating to:

- medical conditions
- allergies
- mental-health considerations
- medications

is special category personal data requiring enhanced protection.

4.2 How We Handle Health Information

To minimise risk:

- The Club does not store detailed medical or mental-health information in Spond or other general platforms.
- Parents/guardians must verbally inform the lead coach before each session of any relevant conditions.
- Coaches share this information only on a strict need-to-know basis with other supervising coaches.
- Health information is not recorded unless required for:
 - an incident report
 - safeguarding concern
 - emergency services handover

4.3 Incident Reporting

Where a medical incident occurs:

- Only essential details are recorded
- Access is restricted to the Data Protection Lead and Safeguarding Officers

- Records are retained in line with the Club's retention schedule

5. Data Minimisation & Security

5.1 Minimisation

We collect only the data necessary for:

- membership administration
- communication
- safety and safeguarding
- event management

5.2 Security Measures

- Restricted admin access in Spond
- Secure devices and strong authentication
- Confidentiality expectations for all coaches and volunteers
- No storing personal data on personal devices unless authorised

6. Children's Data

As a youth-focused club, we apply enhanced protections:

- Clear communication with parents/guardians
- No unnecessary collection of children's data
- Safeguarding Officers oversee all processes involving minors
- Photos/videos only taken and used with explicit parental consent

7. Data Sharing

We only share personal data when necessary and lawful, including:

- With event organisers or governing bodies (e.g., Scottish Cycling)
- With emergency services in the event of an incident
- With safeguarding authorities where required

We do not sell or share data for marketing purposes.

8. Retention & Deletion

- Membership data: retained for the duration of membership + 1 year
- Incident reports: retained for 3–7 years depending on severity
- Safeguarding records: retained in line with statutory guidance
- Data is securely deleted when no longer required

9. Rights of Individuals

Members and parents/guardians have the right to:

- access their data
- request correction
- request deletion (where applicable)
- restrict processing
- object to processing
- lodge a complaint with the ICO

Requests should be directed to the Data Protection Lead (Steven Moore).

10. Data Breach Procedure

All suspected breaches must be reported immediately to:

- Data Protection Lead – Steven Moore
- Safeguarding Officers – Simon Stromberg & Nicola Treger (if children are involved)

The Club will:

- assess the breach
- take steps to contain it
- notify affected individuals where required
- notify the ICO if the breach poses a risk to individuals' rights

11. Coach Guidance (Summary)

Coaches must:

- treat all personal data as confidential
- never store medical details in Spond or personal notes
- ensure verbal health disclosures are handled discreetly
- report safeguarding or medical incidents promptly
- follow emergency procedures

A full Coach Data Handling Guide can be produced on request.

12. Review

This policy will be reviewed:

- annually
 - after any significant incident
 - if Spond or Club processes change
 - if UK GDPR guidance is updated
-
